

THE URBAN PETAL PATCH

Flowers have a way of captivating spaces, visually and emotionally. They tell stories and create a connection to the natural world in a way that words cannot. If you believe flowers are more than just another item on your wedding checklist, you're in the right place! We love designing florals that invite the eye to wander and discover, spark conversation, and leave your guests with a feeling they'll remember long after the last dance.

This Services & Pricing Guide is designed to give you insight into our offerings and help you find the perfect floral experience for your event.

With love,

Trang + Lily

Each celebration is thoughtfully tailored to your space, guest count, and priorities. For approximately 100-125 guests, our full-service floral offerings begin at $7,000, which includes a floral story encompassing personal flowers, ceremony arrangements, and reception centerpieces.

Around $10K, designs become fuller and more layered, creating greater floral impact throughout a celebration.

Investments of $14K+ allow us to transform the space more completely, from abundant ceremony and aisle florals to layered tablescapes with candlelight.

At every scale, details matter to us. Unexpected floral ingredients, nuanced color and texture, and thoughtful details invite moments of discovery. Each element is considered with intention, creating a floral experience that feels cohesive, memorable, and distinctly yours.
